BorderBytes™ ~ Vinyl Wall Words

ENCOURAGE, MOTIVATE & INSPIRE

Everyday we use words or actions to express our feelings to others. Our BorderBytes™ products can be used to help surround someone you care about or your environment with these powerful expressions, enriching and bringing light into each of our lives.

BorderBytes™ offer a variety of everyday sayings or verses in categories such as, **Inspirational, Motivational, Casual Living** and many more. They are offered on a clear, low-tact adhesive vinyl strip, and are designed and printed in the heart of Pennsylvania. You will never have to mess with trying to transfer the design or line up stenciling. Using our BorderBytes™ products, you just peel the vinyl, and place it where and how you would like to decorate your walls, smoothing it out using your hands. Cut the words or letters out to create distinct wall groupings or personalized furniture accessories.

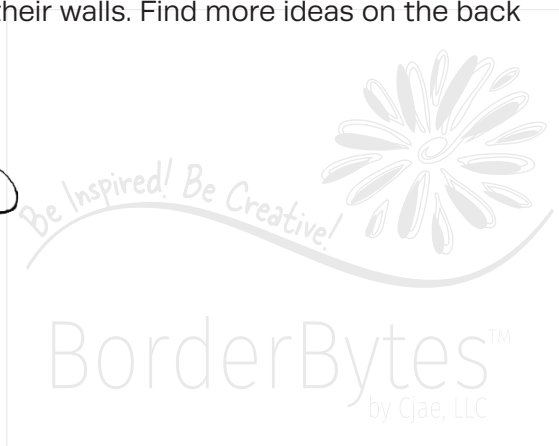

Our products can easily be removed and repositioned on walls, *without* damaging your them. That's what makes BorderBytes™ stand out from the competition!

I encourage everyone to be inspired and be creative by doing more than decorating their walls. Find more ideas on the back page of this catalog.
